

Public Sector Perspectives on Advanced Air Mobility

Pricila Roldan, Partnership Strategist, San Diego Association of Governments (SANDAG)

Federally mandated metropolitan planning organization (MPO) and regional planning agency for the San Diego region.

Governed by a Board of Directors from 19 jurisdictions.

Serves as a regional forum for policy and decision-making to advance quality of life, equity, and sustainability for San Diego.

2021 Regional Plan

5 Big Moves

Vision

Lessons Learned

- Micromobility and Transportation Network Companies (TNC)
- Potential externalities
 - Public perception
 - Safety
 - Equity
 - Mobility
 - Climate & sustainability

What's been done to date

Federal Aviation Administration Integrated Pilot Program

- City of Chula Vista PD Drone as First Responder (DFR)
- City of San Diego Uber Elevate Partnership
- City of San Diego Matternet and UPS Partnership

Planning for AAM

- SANDAG awarded a Caltrans Planning Grant in partnership with the San Diego County Regional Airport Authority

Objectives:

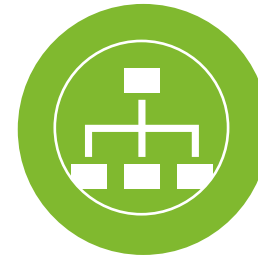

Industry
Assessment

Southern California
AAM Collaborative

Outreach and
Education

Regional Policy
Framework and
Implementation

Key Considerations

- Identify use cases
- Advance equity
- Identify risks and mitigation strategies
- Educate community and decision makers
- Define roles
- Secure partners for pilots
- Foster innovation
- Spur economic and workforce development
