

# AAM Integration In North Texas

Presented by: Ernest Huffman

Program Manager – Aviation Planning and Education Program  
Area

FUTURE OF  
AVIATION

Advancing Aerial Mobility  
through Technology, Sustainability,  
and On-Demand Flight

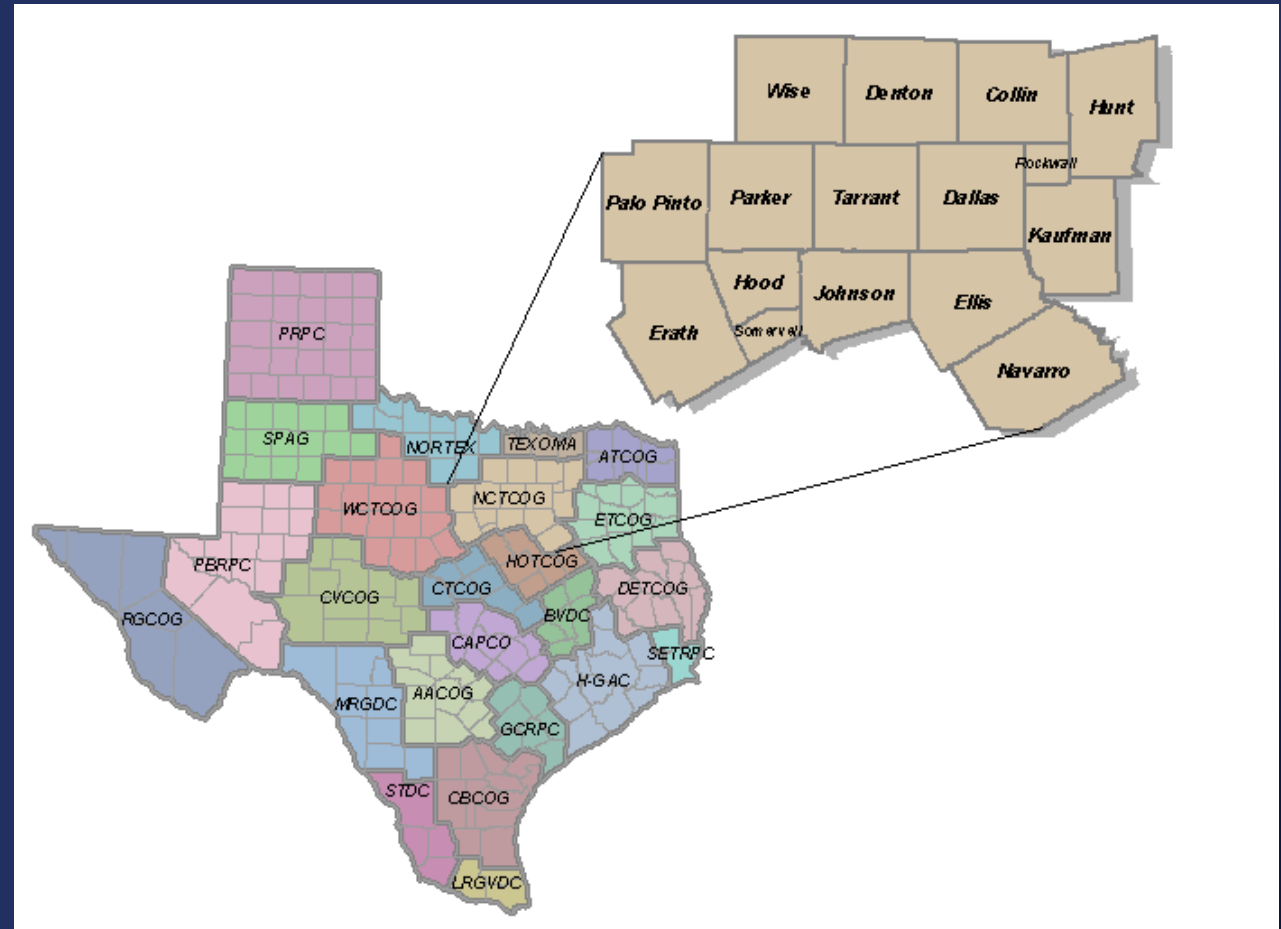

North Central Texas  
Council of Governments

# Who we are

- Metropolitan Planning Organization (MPO) for DFW region
- Transportation Department responsible for regional planning for all modes of transportation
- Program areas involved
  - Aviation Planning and Education
  - Connected and Automated Vehicles
  - Freight
  - Emergency Management
  - Transit Operations

# NCTCOG Committees

- **Executive Board**

- Composed of 17 locally elected officials and is the policy-making body for all activities undertaken by the Council of Governments, including program activities and decisions, regional plans, and fiscal and budgetary policies.

- **Regional Transportation Council**

- RTC is the independent transportation policy body of the Metropolitan Planning Organization
- The 44 members include local elected or appointed officials from the metropolitan area and representatives from each of the area's transportation providers
- Guides the development of multimodal transportation plans and programs.
- Determines the allocation of federal, state and regional transportation funds.
- Selects transportation projects in some programs and recommends projects to the Texas Transportation Commission for other programs
- Ensures transportation providers coordinate services.
- Ensures the metropolitan area complies with state and federal laws and regulations regarding transportation and air quality.

# NCTCOG Committees

- **Airport Technical Advisory Committee (ATAC)**
  - The Committee oversees the Regional General Aviation and Heliport System Plan and advises NCTCOG staff on regionally significant issues affecting the general aviation and heliport system
  - Comprised of regional airport managers and other stakeholders
- **North Texas UAS Safety and Integration Task Force**
  - Created to mitigate reckless UAS operations and promote the safe integration of UAS technology into the DFW regional airspace
  - Comprised of public-sector representatives at the federal, state, and local levels as well as private-sector representatives from the Aviation and UAS Industries, Academia, Military, and others

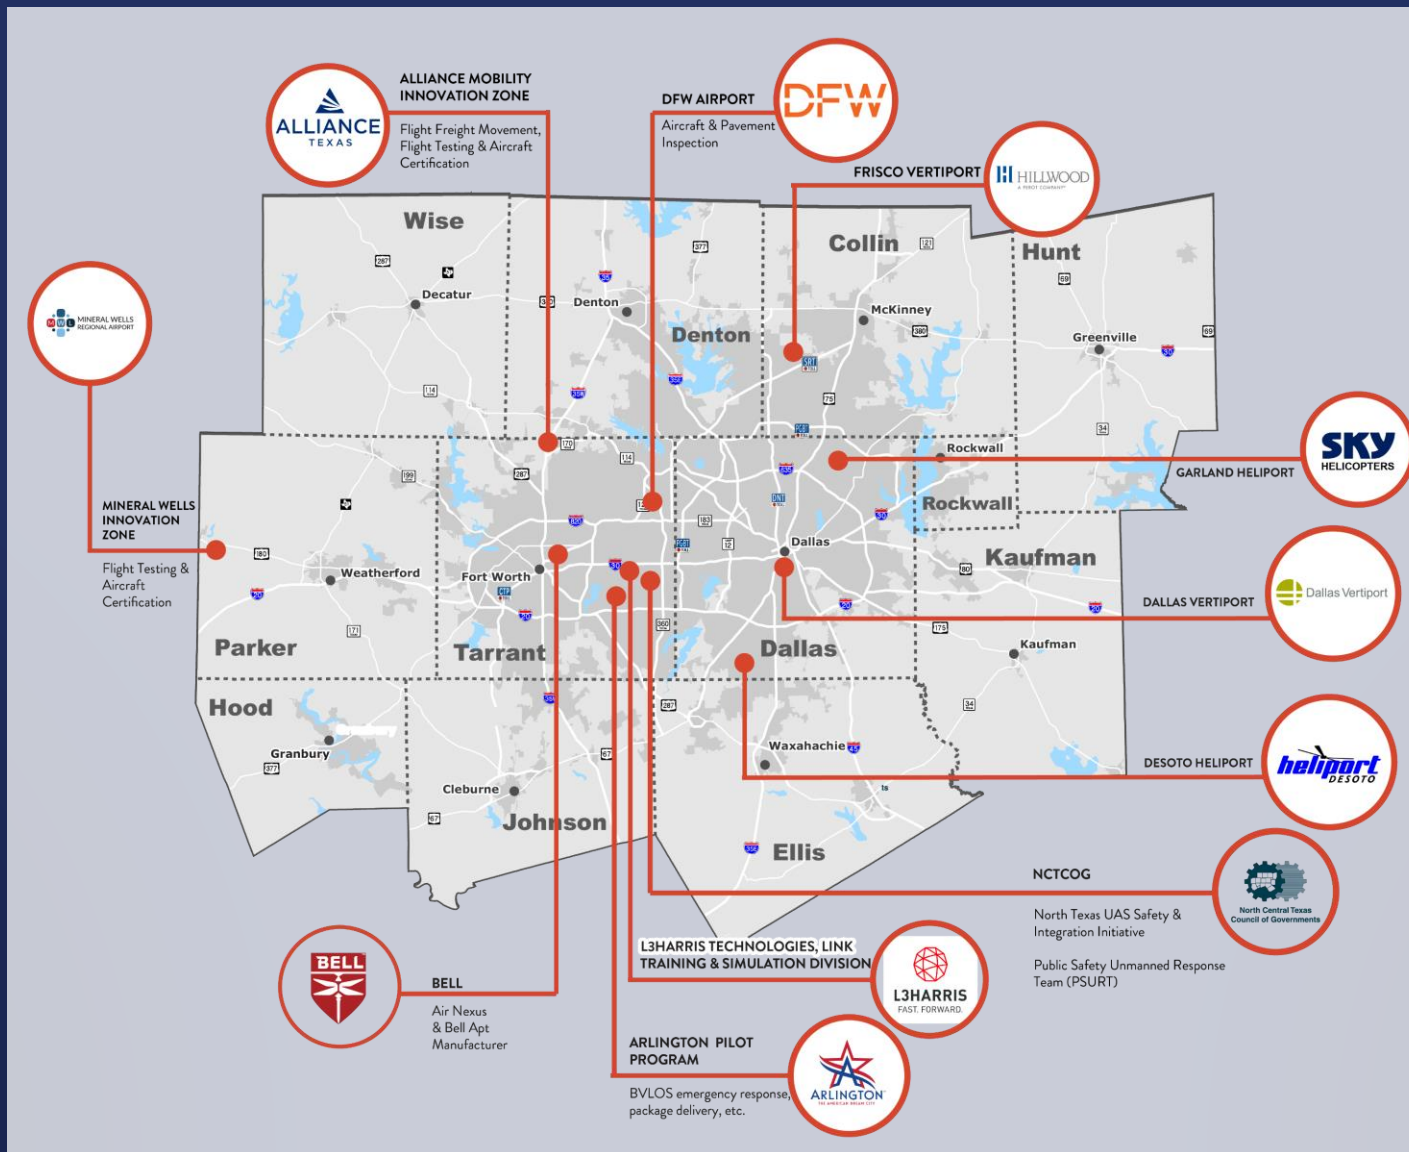

# NCTCOG AAM Initiatives

- Resolution Supporting the Safe and Efficient Integration of Unmanned Aircraft Systems into the Dallas-Fort Worth Metropolitan Area's Existing Transportation Ecosystem
- North Texas UAS Safety and Integration Task Force
- North Texas UAS Safety and Integration Initiative Working Groups

# North Texas Regional AAM Initiatives

## FUTURE OF AVIATION

Advancing Aerial Mobility through Technology, Sustainability, and On-Demand Flight

# NASA AAM Partnership

- National Campaign 1 (NC-1)
- Advanced Air Mobility Community Planning and Integration Partnership
- AAM Public Good Community of Interest Annex

# Workforce Development Initiatives

- NCTCOG Workforce Development
- North Texas Aviation Education Initiative
- DFW Aerospace Consortium
- North Texas Aerial Robotics Initiative
- AAM Standard Occupational Classifications (NCTCOG, NASA, FAA, DOJ)

# Contact Information
